PRIVATE BILL APPLICATION

Whereas certain technologists and technicians practicing in the Province of British Columbia in areas of applied sciences technology, desire to maintain, improve and increase the professional knowledge, ability and competency of all persons practicing in the Province as technologists and technicians:

And whereas the said technologists and technicians, for this purpose, desire to form a self-governing body to (a) regulate standards of training and practice of and for its members and to protect the interests of the public; (b) establish and maintain standards of professional ethics among its members; and (c) do all such lawful things as may be incidental or conducive to the attainment of these objects:

And whereas because of the nature of the powers and authority to be granted to the said governing body, it is desirable that such governing body be created by Act of the Legislative Assembly.

Notice is hereby given that an application will be made to the Legislative Assembly of the Province of British Columbia at its next session for an Act creating and empowering an association to be known as the Applied Sciences Technologists of British Columbia, which Act shall contain provisions summarized as follows:

1. The Applied Sciences Technologists of British Columbia shall be established as a corporation (the "Corporation") to carry out the objects of the Act as set out in the preamble above.

2. Any person other than a member of the Applied Sciences Technologists of British Columbia shall be prohibited from using the name of such corporation or any other name or abbreviation which expressly or by implication infers that he is a member of or connected with the Corporation or is a Certified Technician or an Applied Sciences Technologist.

3. A council consisting of at least 10 members of the Corporation (the "Council") shall be established to conduct the business and affairs of the Corporation and exercise the powers of same, including the appointment of all officers and directors as prescribed by the Act and the bylaws of the Corporation.

4. There shall be established a Practice Review Board, consisting of not less than 5 members of the Corporation, for the purpose of determining the academic qualifications and experience necessary to enable a person to continue as a member of the Corporation.

5. The Act shall not be interpreted as giving to members of the Corporation the exclusive right to engage in works in the field of Applied Sciences Technology.

6. The Council, with the approval of the Lieutenant Governor in Council, shall be empowered to make regulations respecting requirements of membership in the Corporation, performance and ethics standards for members and the operation and proceedings of the Board of Examiners and the Practice Review Board.

7. The Council shall be empowered to make bylaws with respect to management and conduct of the affairs of the Corporation and the administration of the Act.

8. The Council shall be empowered to establish a Board of Examiners to consider and approve or reject applications for registration as members, such registration being granted upon payment of the prescribed fee and approval by the Board of Examiners.

9. The Council shall be empowered to establish a Discipline Committee and make regulations governing the operations, proceedings and membership of such committee which shall be empowered to conduct hearings investigating the conduct of a member and render decisions in this regard; appeals from such decisions may be made first to the Council and then to the Supreme Court of British Columbia. September 12, 1984. — Lindsay Kenney, *Solicitors*.

PRIVATE BILLS

The following are excerpts from Standing Orders Relating to Private Bills.

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay

double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration of affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels,

and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10 3/4 inches by 7 1/2 inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified. — Ian M. Horne, *Clerk, Legislative Assembly*.

POLLUTION AMENDMENT

This application is to be filed with the Waste Management Branch, 15326 — 103A Avenue, Surrey, B.C. V3R 7A2.

Any person who may be affected by the amendment to Permit PR-4745 described below may, within 30 days from the date of posting, publication, service or display, state in writing to the Manager how he is affected.

Preamble — The purpose of this application is to amend Permit PR-4745 so as to reflect a company name change, a change in the land owned, and to include provision for discharge of aerated leachate into Laurentian and No Name ditch.

Carl R. Wilson, **Crown Forest Industries Limited**, hereby applies for amendment(s), as described below, to Waste Management Permit PR-4745 granted on October 13, 1977, last amended December 21, 1977, which authorized the discharge of refuse from lumber mills, building demolitions, industrial excavations, located at the District of Coquitlam, B.C., to the land.

AMENDMENTS REQUESTED

Before: Ven Dev Enterprises Ltd., Ninth Floor, 815 West Hastings Street, Vancouver, B.C. V6C 1B4.

Part of Blocks 1, 6, 7 and 12, District Lot 46, Plan 2624 and part of District Lot 48, Group 1 and "A" of District Lot 61, Plan 5076, all NWD.

A landfill operation using refuse from lumber mills, demolished buildings and mineral soils at an average of 191 cubic metres per day continuously until the site is filled.

After: Crown Forest Industries Limited, 700, 815 West Hastings Street, Vancouver, B.C. V6C 2Y4, and part of District Lot 48, Group 1 and "A" of District Lot 61, Plan 5076 all NWD.

Rain/ground water originated effluent and leachates collected in collection basins, sprayed onto an aeration pad and discharged via a flume to No Name ditch and to Laurentian Creek. The quantity of the effluent is up to 3 000 cubic metres per day. The characteristics shall be equivalent to or better than: Sulphide (dissolved) — 1.0 mg/L; LC₅₀ — 100 per cent.

This application, dated on March 6, 1984, was posted on the ground in accordance with the Waste Management Regulations. — Carl R. Wilson, *Agent*. [oc25 — 9632]

POLLUTION AMENDMENT

Take notice that a minor amendment to Permit PA-3848, under the provisions of the *Waste Management Act*, which allowed for the emission of contaminants to the air from a mobile asphalt plant located in the Township of Spallumcheen has been issued. The amendment consists of a change of name from Leduc Paving to Okanagan Aggregates Ltd., a change in total permitted emission volume from 550 m/s to 322.6 m/s to reflect the emissions from the new drum mix asphalt plant and a change of location from the Municipality of Spallumcheen to various locations in the Province of British Columbia.

A copy of the amended permit may be viewed at 3547 Skaha Lake Road, Penticton, B.C., during normal business hours.

Dated at Penticton, B.C., this 10th day of October 1984. — R. A. Nickel, *Regional Waste Manager*. [oc25 — 9632]

POLLUTION APPLICATION

This application is to be filed with the Regional Waste Manager, 670 Island Highway, Campbell River, B.C. V9C 2C3.

Any person who may be affected by the waste described below may, within 30 days from the date of posting, publication, service or display, state in writing to the Manager how he is affected.

Preamble — The purpose of this application is to obtain a permit to dispose of dryland log sorting debris and municipal refuse from a 25-man camp and for burning of wood-waste.

Mill & Timber Products Ltd., 12770 — 116th Avenue, Surrey, B.C. V3V 7H9, hereby apply for a permit to discharge refuse from a dryland sort yard and camp located at Macgowan Bay, Drury Inlet, and give notice of application to all persons affected.

The refuse-disposal site of approximately 0.16 hectare shall be located at Special Use Permit 11662, which is approximately 2 910 metres north and 800 metres east, north of the northeast corner of Lot 1014, Range 1, Coast District.

PIPELINE APPLICATION

Take notice that **Gulf Canada Resources Inc.**, Calgary, Alta. intends to make application on or after November 1, 1984, to the Minister of Transportation and Highways for leave to construct a pipeline gathering system in the Desan Lakes area of north-eastern British Columbia for the purpose of collecting and transporting crude oil.

Applicant: R. A. Baillie, Manager, Desan Project, Gulf Canada Resources Inc., 401 Ninth Avenue SW., Calgary Alta. T2P 2H7.

Proposal: Gulf Canada Resources Inc. proposes to install an oil flowline gathering system to collect crude oil in the Desan area of northeastern British Columbia for treatment and sales. Pipelines will connect Gulf-Alberta Energy Co. wells in the Desan field to satellites and/or a central treating battery.

Gulf Canada proposes to undertake and complete in a safe and orderly manner the installation of the subject gathering system over a period of time commencing on or about December 1, 1984. [oc25]
